

Ginetta has been making racing cars since 1958

Designed in Yorkshire and manufactured exclusively in Britain, our motorsport-inspired menswear collection follows suit.

Influenced by our long history, the collection represents modern, high performance interpretations of design classics closely associated with racing.

These are timeless wardrobe staples, made without compromise by craftsmen who have perfected their technique over generations.

ginettalifestyle.com

Walklett Tailored Jacket

- Named after Ginetta's founders, the Walklett Jacket is beautifully cut and luxuriously finished
- Providing protection from the elements, the outer body is constructed from a durable, British-made waxed cotton
- The collar, lapel and elbow patches are finished with a contrast lining made from the finest Shetland lambswool
- Available in navy and olive

Titan Track Coat

- Double-cloth construction with Kevlar and Nomex helps maximise comfort, thermal performance and durability
- Made from flame-retardant, breathable Hainsworth TITAN™ fabric used by emergency service personnel
- Detachable hood offers versatility while the deep-stand collar gives protection against the toughest conditions
- Available in grey and navy

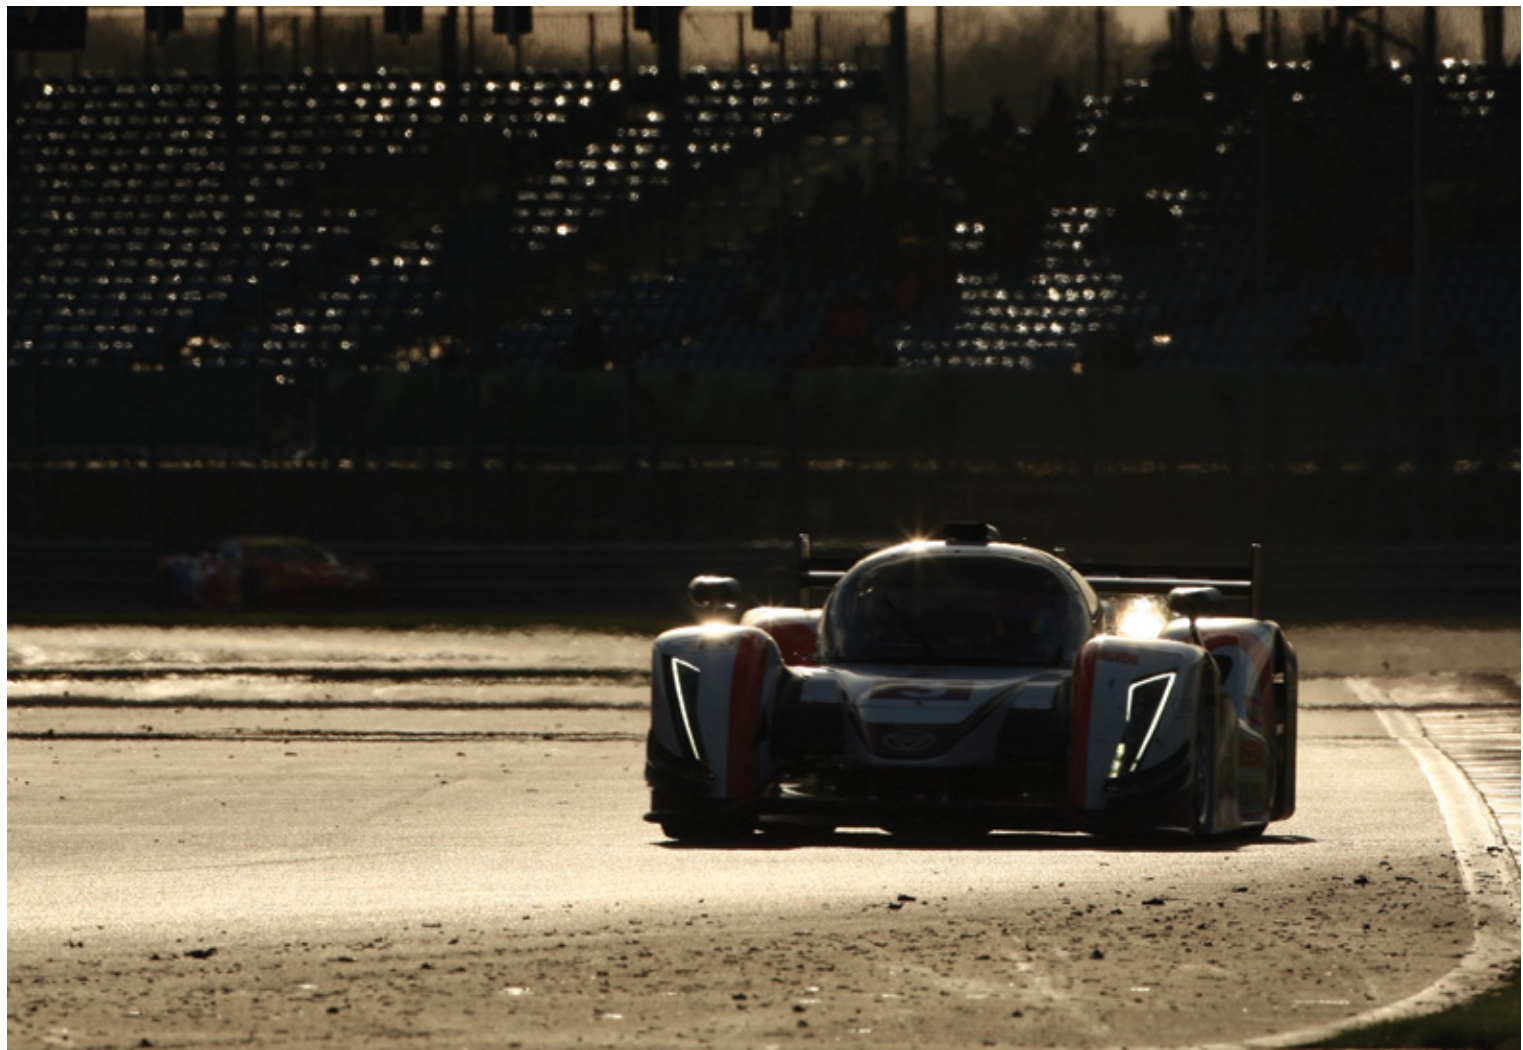

Ginetta Duffle Coat

- Our classic, oversized-fit duffle coat, produced in Britain in collaboration with Gloverall
- Traditional wooden toggles updated to metal clasps reminiscent of the bonnet latches on our 1961 G4 racer
- Ventile shoulder patches provide additional warmth and limit wear from harness straps

Fine Gauge Merino Knitwear

- An essential wardrobe staple, our knitwear is hand crafted in Scotland using a 24 stage process
- Made from 100% Merino wool in a contemporary crew neck fit and detailed with Ginetta 'G' tab on the side seam
- Available in grey, navy and charcoal

QRB Rucksack

- Aluminium quick release buckle (QRB) is a true symbol of motor racing, adding security and durability
- Designed and manufactured entirely in Britain, the rucksack is made from high-grade canvas and leather
- Features tablet and phone pockets, integral key clasp and quick access side pocket

Racing Holdall

- Bespoke designed to accommodate a full set of racing gear yet perfectly adaptable for a weekend away
- Quilted, detachable helmet bag with drawstring to protect the most important piece of safety kit
- Trimmed in leather and boasting a front tablet-sized pocket luxuriously quilted in our standout Ginetta orange
